# 2017 AUDUBON BIRD FEED SALE

## **AUDUBON SPECIAL MIX**

This is our specially mixed blend of 1/3 each sunflower, cracked corn, and millet. Birds love the variety, and it contains none of the fillers that are found in commercially packaged wild mixes.

## **SUNFLOWER SEEDS-BLACK OIL OR STRIPED**

The favorite of most seed-eating birds. Cardinals, blue jays, grosbeaks, chickadees, nuthatches, finches, and many other species enjoy its flavor and nutrition.

## **SUNFLOWER Chips (course, medium, fine)**

All of the benefits, none of the mess of shells in your feeding area.

## **Safflower**

Great for Cardinals, Grosbeaks and other hard seed eaters.

## **NYJER**

These small, black seeds really bring finches, redpolls, and pine siskins flocking. Excellent source of fat and protein.

## **CRACKED CORN**

Universally liked by birds, corn is a source of high energy.

## **WHITE MILLET**

Favorite food of juncos, mourning doves, and varieties of sparrows. A nutritious seed for spreading on the ground.

## **WILD FINCH MIX**

An economical alternative to pure nyjer, this mix combines fine sunflower hearts, canary seed, red and white millet, and nyjer seed.

## **SUET CAKES (SEED, NUTTY, OR BERRY)**

These high-quality suet treats come in three blends: seed, nutty, or berry. \$1.75 EACH OR A **12PACK FOR \$18.00.**

## **WJC MIX**
