2022 AUDUBON BIRD FEED SALE

AUDUBON SPECIAL MIX

This is our specially mixed blend of 1/3 each sunflower, cracked corn, and millet. Birds love the variety, and it contains none of the fillers that are found in commercially packaged wild mixes.

SUNFLOWER SEEDS—BLACK OIL OR STRIPED

The favorite of most seed-eating birds. Cardinals, blue jays, grosbeaks, chickadees, nuthatches, finches, and many other species enjoy its flavor and nutrition.

SUNFLOWER Chips (coarse, medium, fine)

All of the benefits, none of the mess of shells in your feeding area.

SAFFLOWER

Great for Cardinals, grosbeaks and other hard seed eaters.

NYJER

These small, black seeds really bring finches, redpolls, and pine siskins flocking. Excellent source of fat and protein.

CRACKED CORN

Universally liked by birds, corn is a source of high energy.

WHITE MILLET

Favorite food of juncos, mourning doves, and varieties of sparrows. A nutritious seed for spreading on the ground.

WILD FINCH MIX

An economical alternative to pure nyjer, this mix combines fine sunflower hearts, canary seed, red and white millet, and nyjer seed.

SUET CAKES (SEED, NUTTY, OR BERRY)

These high-quality suet treats come in three blends: Peanut blend, Nuts and Berry, Woodpecker blend. **12 PACK (No individual Cakes)**

WJC MIX

Sunflowers, nuts, millets, safflower, C&S nuggets, cherries, and cranberries.
